## **GRANT OVERVIEW**

The Maryland Safe to Learn Act of 2018 (Senate Bill 1265, Chapter 30) became law on June 1, 2018. It established the Safe Schools Fund, and ushered in a new approach to school safety and security for Maryland's public schools. The purpose of the Fund is to provide grants to local school systems to enhance school safety. MCSS administers the Fund on behalf of the School Safety Subcabinet, which awards the grants from the Fund. The Safe to Learn Act also established the School Safety Subcabinet Advisory Board, which advises and assists the Subcabinet and agency with fulfilling the statutory duties.

The Safe Schools Fund Grant (SSFG) is one of three grants being offered by MCSS under the Maryland Safe to Learn Act of 2018.
